ORNAMENTAL COOL AND COMFORT-ABLE.—Knox, supplying "all the world and the rest of mankind" with his elegant and seasonable Rocky Mountain Beavers, his cool and spirit invigorating Panamas, and other straw bed-covers, at his elegant, fashionable, and well-known establishment, No. 128 Fulton-st., is patronized by the fashionable and unfashionable, the proud and humble, the rich and poor, the handsome and ugly, old, middle-aged, and young. JENNINGS & CO.—THE SECRET OF THEIR SUCCESS.—During the twenty-seven years JENNINGS & CO. have been in business, the ready-made clothing trade in this city has multiplied, and the demand for such goods has increased. They have taken the lead by first furnishing what no other establishment in the United States has ever furnished, viz: ready-made clothing of the highest quality, made to measure in New-York, or any other city. The consequence is that at once there is a style, a genuine quality, and an economy in their goods, and a saving in the cost of the goods. They are looking for in vain in the "cheap ready-made clothing" of the day. Their articles are not merely made up to sell, but to satisfy the appreciating taste of the discriminating portion of the public, while their prices are at the same time very moderate. JENNINGS & CO., No. 231 Broadway, American Hotel.
